

Need a change of scenery?

***Grow* the world you want with Scotts Miracle-Gro**

The global leader and the world's largest marketer of consumer lawn and garden products, Scotts Miracle-Gro is committed to respecting the environment while helping consumers enjoy healthy lawns and beautiful gardens. If you are driven to grow and excel with the marketplace leader, join Scotts Canada now as a:

Regulatory Specialist

Reporting to the Director of Regulatory Affairs, the Regulatory Specialist's role is to independently coordinate and execute activities that ensure compliance of Scotts Miracle-Gro's Canadian product offering. This involves all aspects of regulatory compliance, registration compliance and label approval which includes: tracking and communicating regulatory policy and provincial legislative changes affecting Scotts products; providing technical support to internal and external customers for provincial and federal issues related to Scotts consumer product portfolio; developing internal processes and procedures ensure compliance with applicable rules and regulations; and interacting with provincial and local control officials and industry counterparts to represent the Company's interests and minimize the impact of new/changing legislation to the business.

The successful candidate will have:

- Bachelor of Science Degree in Biological or Physical Science
- Minimum 3 years Regulatory experience
- Working knowledge of the principles of research and/or experimental design, and principles of biological and/or physical sciences
- Excellent interpersonal skills with keen ability to collaborate with, adapt and relate to various personalities e.g. regulatory analysts, sales and marketing peers, government officials, etc.
- Strong skills in data management, information analysis and report writing
- Superior oral and written communication skills as well as presentation abilities
- Knowledge of oral and written French is strongly preferred
- Strategic thinker who can recommend registration options based on defined objectives, organize data in a straightforward and logical manner and effectively interpret information, regulations, and provincial policies to others
- Superior organizational and follow up skills
- Effective time manager
- Ability to travel overnight on occasion
- Current, valid drivers license
- Proficiency in Microsoft Word, Excel and PowerPoint
- Your values mirror ours: *Passionate. Respectful. Ethical. Accountable. Empowered. Collaborative. Flexible. Innovative. Entrepreneurial. Diversity of Thought.*

We offer a competitive wage, outstanding perks and benefits, excellent recognition as well as the support and coaching that makes us an Employer of Choice. Want to learn more about why Scotts Miracle-Gro is a great place to work? Visit www.scotts.com
