THE CHEVALIER AWARD - 2016

TO: All Candidates for the Award

As the son or daughter of an employee of a member company of the Canadian Consumer Specialty Products Association, you are invited to participate in the competition for the Chevalier Award and the accompanying sum of \$2,500.00.

The late Jacques Chevalier served the association as Executive Director for about 30 years, retiring in 1988. He carried out his responsibilities with distinction and competence, but his warm personality, high ideals and sense of commitment infused the association with a spirit of "family." He did all that was required to be done very well, but he consistently went beyond that and gave of himself in a way that enriched our association and the lives of those he touched. In this he was ably assisted and encouraged by his wife, the late Jessie Chevalier.

The purpose of this award is:

- A) To draw to the attention of students at University level in engineering and physical sciences courses that the opportunity of a university education provides more than academic challenge, and
- B) To recognize the student whose extracurricular contributions and accomplishments have been outstanding, and
- C) In so doing, to fittingly honour the memory and achievements of Jacques and Jessie Chevalier.

We hope you will feel this award represents an honour to which the monetary reward is secondary.

We know many of you possess the qualities and have fulfilled the requisites of the Chevalier Award. We want you to tell us about it. We want you to apply for our award. For full details of qualifications, refer to the "criteria for qualification" in the Chevalier Award descriptive document.

The application form is enclosed and must be received into the Ottawa office of the CCSPA association by July 8, 2016. A selection committee will review it and the successful candidate will be notified in writing by August 5. The cash amount of the award will be forwarded to the student awards officer at the appropriate institution by August 18, 2016.

The award plaque will be presented to the student at an official luncheon during the CCSPA's conference in September in Toronto, Ontario, and he/she will have the opportunity to give a 3-minute response.
